Dear <sup>Chris</sup>Colonel Knight:

I would like to take this opportunity to bring to your attention two outstanding captains. Captain Keith Gaston and Captain Steven Williams are glowing examples of why the patrol enjoys the stature it does.

In the matter of 800 MHz issues, both captains have worked tirelessly and unselfishly to help resolve mutual problems and without their assistance the Office of Agricultural Law Enforcement would not have been able to realize the full benefit of 800 service and dispatch.

Please thank these men for me and the Florida Department of Agriculture and Consumer Services' Office of Agricultural Law Enforcement for their outstanding contributions to this process.

As always, in all matters of mutual concern,

Sincerely,

CHARLES H. BRONSON  
COMMISSIONER OF AGRICULTURE

Lt. Colonel Lou Leinhauser, Assistant Director  
Office of Agricultural Law Enforcement
